**Land Reforms Commission***Silvassa, the 20th August 1964***ORDER**

No. ADM/S.R./S/64—The land problem in Dadra and Nagar-Haveli presents features which differ in certain important respects from those prevailing in the rest of country. After liberation, in order to save the adivasi tenants from exploitation, the Administration had issued Tenancy Ordinances according to which tenants were given security of tenure and the rent they paid to the landlords was fixed. It is now necessary to introduce reforms by which intermediaries between Govt. and the tiller should be removed and the tiller should become the actual owner of the land as in other States of India. Besides there are waste lands under grass held by the present holders from which they derive profits without investments. These lands may also be considered for landless adivasis.

It is therefore decided that the entire land problem in Dadra and Nagar-Haveli should be examined by a high level body who should be requested to make recommendations regarding the changes in the present tenure of lands in this territory so as to bring it on par with the tenure of land prevailing in adjoining States in order to bring about on the one hand, a rapid improvements in the economic conditions of the tenants and on the other a high level of efficiency in agricultural production.

The Administrator, Dadra and Nagar-Haveli is therefore pleased to appoint a 'Land Reforms Commission' with Shri L. R. Dalal, i.c.s., as Chairman and the following as members.

The land-reforms commission shall make a general survey of the existing system of land tenures and land Revenue Administration in Dadra and Nagar-Haveli. In particular, it shall ascertain and report the present position in regard to—

- (1) Land tenures and their incidence;
- (2) Relationship subsisting between the owner of the land and the cultivator in respect of security of tenure;
- (3) Levy and recovery of rent by the landlord from the tenant;
- (4) The extent of waste land available for grant to landless persons;
- (5) Agricultural land holdings; and
- (6) Survey and assessment of land to land revenue and the maintenance of record of rights in land.

And with a view to the ultimate realisation of the objectives of land reforms, the commission shall recommend to the Administrator the measures to be adopted for the change of existing system of land tenure and land revenue Administration and providing in particular for:

- (1) Change of existing system of holding land on alvara basis.
- (2) The cultivators in actual possession of the lands as tenants of alvara holders should be made occupants of the lands.
- (3) Security of tenure of the cultivators.
- (4) Levy of fair rent on agriculture lands for exempted category of landlords.
- (5) Prevention of indiscriminate resumption land by the landlord;
- (6) Prevention of fragmentation and consolidation of holdings;
